

CAN YOU READ IN ANOTHER LANGUAGE? SHARE A STORY FROM YOUR CULTURE!

During Book Week (18th August until the 22nd August) the K-6 EAL/D team would like to invite parents/carers to help us celebrate the rich cultural diversity in our school community.

If you speak and read fluently in another language and would be willing to read a picture book aloud to our K-6 students, we'd love to have you share a story from your culture.

If you're interested, please email **Angela Troianos** at:
angela.troianos@dow.catholic.edu.au **by 3pm Friday 8th August.**

In your email, let us know:

- The language you can read in
- The title of the picture book you will be reading in your language.
- If you would prefer to read the picture book in person or pre record yourself reading.

Please note that there are limited spots available.

Thank you for helping us build a love of language, literacy, and culture!

Angela Troianos
K-6 EAL/D Teacher
