Starting uni next year? Here's what not to worry about

Four UOW students offer their advice and insider tips for starting university. Whether you're looking to study straight out of high school or returning after a break, starting uni can be daunting. To help ease your concerns, we spoke to four current UOW students to get their recommendations for a smooth start to uni.

<https://www.uow.edu.au/the-stand/2024/starting-uni-next-year-heres-what-not-to-worry-about.php>

University of Wollongong - Creative and Performing Arts Workshops

1-2 October

The University of Wollongong (UOW) is excited to present a new series of school holiday workshops designed to ignite creativity and foster skill development among high school students. Led by UOW academics who are experts in their respective fields, these workshops offer hands-on experiences in creative writing, journalism, and visual arts.

These workshops aim to inspire students and strengthen their connection with the university community, providing a glimpse into the vibrant academic environment at UOW. Register now to attend!

<https://future-students-events.uow.edu.au/CAPA>

Five STEM degrees and their amazing careers

From mathematics to environmental science, discover how you can find a degree that's right for you and the exciting careers these qualifications lead to.

<https://www.uow.edu.au/the-stand/2024/five-stem-degrees-you-can-study-at-uow.php>

School-based apprenticeships and traineeships at the University of Wollongong

Start your career with a School-Based Traineeship

School-based apprenticeships and traineeships (SBAT) are a great way to set yourself up for your future career, while completing your HSC.

SBAT courses combine paid work, training and school and are available to high school students in NSW who are in Years 10, 11, and 12.

You could:

- Gain a nationally recognised qualification fee-free* while at school.
- Receive hands on industry experience.
- Get paid while you learn new skills.
- Contribute to your ATAR (depending on the course you select).

After completing a school-based traineeship, you'll be fully qualified and can begin full time work or continue on to higher level study.

<https://www.uowcollege.edu.au/courses-pathways/traineeships/sbat/>

Western Sydney University HSC Study Sessions

29 September - 3 October

From Monday 29th September to Friday 3rd October 2025, Western Sydney University will be offering a range of online study sessions to assist Year 12 students in their preparations for the HSC.

These will be delivered by highly qualified senior teachers with 24 free sessions across 15 key HSC subject areas, with sessions that include content analysis, tips and strategies, and a detailed exploration of key syllabus and curriculum areas.

Students also have the opportunity to sit a practice exam and deconstruction, with feedback and advice from experts.

Sessions Include:

- English Advanced and Standard
- Mathematics Advanced and Standard
- Chemistry
- Physics
- Biology
- Business Studies
- Legal Studies
- Ancient History
- Studies of Religion
- Modern History
- Community & Family Studies
- PDHPE

<https://www.westernsydney.edu.au/future/student-life/events/free-hsc-study-sessions>

Western Sydney University - HSC True Reward - Round 2

Apply by 12 November for Round 2

Our HSC True Reward early offer program will give school leavers much needed peace of mind, providing students with an early offer into most university degrees based on their Year 11 or Year 12 results.

HSC True Reward was first launched in 2017, providing students with an early offer into Western based on HSC results, instead of a scaled ATAR, following analysis showing subject performance is a reliable indicator of student success.

<https://www.westernsydney.edu.au/future/study/application-pathways/hsc-true-reward>

Western Sydney University - HSC Survival Guide

<https://www.westernsydney.edu.au/schools-engagement/information-and-dates/resources/hsc-survival-guide>

IGNITE Indigenous Traineeship Program

Apply by 8 October

The IGNITE Indigenous Traineeship Program is now accepting applications. This entry-level program is designed to support Indigenous Australians kickstarting or redirecting their professional journey in a culturally safe and empowering environment

<https://www.westernsydney.edu.au/content/dam/digital/pdf/brochures/2026%20Ignite%20Flyer.pdf>

Western Sydney University - Book Your Design Portfolio Interviews

Western Sydney University offers the Bachelor of Design (Visual Communication), Bachelor of Industrial Design, and Bachelor of Design and Technology.

Where academic requirements are not met, students can select to attend an interview and showcase their creativity through a portfolio.

<https://admissions.westernsydney.edu.au/>

Western Sydney University - Book Your Auditions

Our Bachelor of Music provides high-level training in music performance, composition, sound technologies, music theory, musicology, arranging, and music analysis.

Students can select to attend an interview in person as a performer and/or composer.

Applicants applying as composers should bring recordings and/or scores of their original compositions to the interview.

After applying through UAC or directly to Western, students are required to book an interview online.

<https://admissions.westernsydney.edu.au/>

University of Sydney Portfolio Submission Pathways for Architecture - Closes Soon!

Round 1 Closes 28 September

If you didn't quite get the required ATAR, you can apply for entry into one of our undergraduate degrees with a portfolio that shows your design skills and creativity.

The portfolio submission is a potential way for you to gain entry into our programs if you achieved close to the required ATAR (or equivalent). In conjunction with the HSC and other formal assessment systems, it assists the University to identify students with the potential to excel in architecture or design computing.

If you are expecting to receive an ATAR of up to five points lower than or roughly around the ATAR for your preferred course, we encourage you to apply by submitting a portfolio.

<https://www.sydney.edu.au/architecture/study-architecture-design-planning/undergraduate-courses/portfolio-pathways.html>

University of Sydney Webinar - What's the Deal with Dalyell?: Introduction into Dalyell Scholars Stream

22 September

The Dalyell Scholars Program at the University of Sydney is designed for high-achieving undergraduate students with an ATAR of 98 or above (or equivalent). It offers a rich academic experience through accelerated study options, advanced units, mentoring, and professional skill development.

https://uni-sydney.zoom.us/webinar/register/WN_JP4SBFBcRC6WoL0hp3BHIA#/registration

University of Sydney Webinar - Alternative Pathways Through TPC and STAT Entry Schemes

23 September

If you left school in Year 10 or finished Year 12 without an ATAR (or equivalent), this information session will cover our new Tertiary Preparation Certificate and STAT entry schemes. It will also cover other potential pathways that can support your transition to university. This presentation is suitable for domestic applicants who would like to apply for a bachelor's degree.

https://uni-sydney.zoom.us/webinar/register/WN_ybSMBV9YRVmppMKFhfGkzA#/registration

University of Sydney - 2025 Gadalung Program Expression of Interest

Applications Close 28 September

Apply today to join our on-campus residential program for Year 11 indigenous students, held 8-12 December.

https://sydney.au1.qualtrics.com/jfe/form/SV_eY7HgPF1RxyEIQq

University of Sydney Webinar - Bachelor of Wildlife Conservation (Taronga)

22 October

Designed for students who have a passion for animals and dream of making an impact in the wildlife conservation sector, our Bachelor of Wildlife Conservation (Taronga) will equip you with highly sought-after skills and interactive, practical experiences in the field. Join us to learn more about studying on site at the Taronga Conservation Society and envision your future in wildlife conservation.

https://uni-sydney.zoom.us/webinar/register/WN_wZfnqAojTEC3TJgaexCtSA#/registration

University of Sydney Webinar - Chemical, biomolecular and environmental engineering

29 October

Chemical and Environmental Engineering are closely linked fields that address global challenges like clean energy, water security and pollution control. Chemical engineers transform raw materials into valuable products across key industries, while Environmental engineers focus on protecting ecosystems and public health.

At the University of Sydney, Environmental Engineering draws on Chemical, Civil and Mechanical Engineering, reflecting its interdisciplinary approach and real-world impact.

Join this webinar to explore how our degrees in Chemical and Biomolecular Engineering and Environmental Engineering combine practical learning, research and industry experience to help you build a more sustainable future.

https://uni-sydney.zoom.us/webinar/register/WN_KBDxUsL2TeqJreYGxSkv-Q#/registration

USYD Faculty of Engineering Women in Engineering Scholarship

Applications Close 30 September

Established in 2023, this Scholarship has been generously funded by the Faculty of Engineering to support and encourage female students to commence an undergraduate degree offered by the Faculty of Engineering at the University of Sydney.

This scholarship is valued at \$10,000 and is tenable for 1 year.

<https://www.sydney.edu.au/scholarships/b/faculty-of-engineering-women-in-engineering-scholarship.html>

USYD Faculty of Engineering Women in Engineering Excellence Scholarship

Closes 30 September

Established in 2023, this Scholarship has been generously funded by the Faculty of Engineering to support and encourage female students to commence an undergraduate degree offered by the Faculty of Engineering at the University of Sydney.

This scholarship is valued at \$15,000 per annum and is tenable for up to 4 years.

<https://www.sydney.edu.au/scholarships/b/faculty-of-engineering-women-in-engineering-excellence-scholarsh.html>

USYD Project Management Spring Camp

3 October

The University of Sydney School of Project Management will be running our in-person Spring Camp on Friday, 3 October for high school students in Years 10-12. Join us at F19 Eastern Avenue Auditorium and Lecture Theatre Complex for an interactive opportunity to develop awareness of project management as a discipline.

<https://www.eventbrite.com.au/e/project-management-spring-camp-university-of-sydney-tickets-1637106041239>

USYD Explore ENG!

20 September

Curious about how engineering can change the world and how you can be part of it? If you're a creative high school student in Years 9–10 with a passion for problem-solving and making a difference, join us at the Engineering and Technology Precinct for a day of discovery:

- Bone Cement - Glue bones back together with Biomedical Engineers
- Intro to Computing - Basics of Computer Science and Programming
- Ultrasonic Music: Build and Play Your Own Instrument
- TechToys - An Inclusive Toy Car Demonstration
- Project Management Challenge: Plan and Build
- Electromagnetic Waves: Exploring the Fascinating Invisible World
- Civil Engineering: Destroy a Skyscraper
- Mini Drone and Flight Mechanics
- The Great Transport Challenge: Engineering the Perfect Journey
- Assemble a Hydrogen-Powered Toy Car like a Chemical Engineer
- Discover World-Class Capabilities for Design, 3D Printing, Heat Treatment and more at the Sydney Manufacturing Hub
- Panel Discussion on "What Do Engineers Do?"

<https://www.eventbrite.com.au/e/explore-eng-university-of-sydney-tickets-1653232967309>

Southern Cross University Campus Tours

2 October

Register for our upcoming campus tours. You will hear from study experts and current students about popular pathways into university, our unique 6-week terms, courses and student support. We also share information about applying, accepting your offer and enrolling to study.

Let's show you around campus. We invite you to join us for an upcoming campus tour on our Gold Coast, Lismore or Coffs Harbour campuses.

Experience for yourself our world-class facilities. Our study experts will also be on hand to walk you through our free, simple application process.

<https://www.scu.edu.au/experience/come-visit/campus-tours/>

Southern Cross University - Northern Rivers Parent Information Evening

23 September

Your child's educational journey is of utmost importance. As parents and guardians, it is essential to be well-informed of various opportunities and pathways that lie ahead. Here at Southern Cross University, we are organising an exclusive session designed specifically for parents and students in Years 11 & 12 and encourage you to join us for an upcoming Parents Information Evening at Southern Cross University's Northern Rivers campus.
<https://www.scu.edu.au/study/information-for-parents/northern-rivers-parent-information-evening/>

University of Canberra - Portfolio Entry

Don't let your ATAR define you. At UC, we know ATARs aren't everything. Thanks to Portfolio Entry, if you've got the will to get into university, we've got the way. Whether you're passionate about the Arts, Communication and Media, Design, Creative Industries, Digital Design or the Built Environment, we want to see your work. If you're interested in studying in Canberra or Brisbane, showcase your skills and use your creative portfolio to apply for entry into any undergraduate degrees with the Faculty of Arts and Design (FAD).
<https://www.canberra.edu.au/future-students/get-into-uc/admissions-programs/portfolio-entry>

University of Canberra Open Day Fest

20 September

You're invited to UC's first Open Day Fest! Join us for a day of fun, exploration and community on **Saturday, 20 September from 9am to 3pm**.

Whether you're keen to explore our courses and check out the campus, or just after a fun day out, you'll find plenty to enjoy. With live music, food carts and family-friendly entertainment, there's something for everyone.

Bring your friends, bring your family and bring your curiosity! Come and meet new people and enjoy a day that showcases what life at UC is all about.

<https://www.canberra.edu.au/about-uc/events/open-day-2025>

UNE Early Offer

Applications Close September

UNE Early Entry is open to all Year 12 applicants, whether or not you're expecting to receive an ATAR. Early Entry relies on your school's assessment of your attributes and abilities: your ability to work and learn independently, and your overall potential for academic success.

Apply with us directly and you can get your offer before the release of the year 12 results, giving you the certainty that no matter what happens, you have a place at UNE. Based on your school's recommendation, we will guarantee you an offer to start with us in 2026.*

<https://www.une.edu.au/study/study-on-campus/early-entry>

UTAS' Schools Recommendation Program

Final Round Applications close 4 October

The Schools Recommendation Program offers year 12 students the chance to receive an early offer for a place at university, providing peace of mind and the freedom to focus on finishing your studies.

If you're an Australian year 12 student, you can apply for up to five courses, including your dream course. With options including double degrees, undergraduate degrees, and pathway programs, you can map out the rest of your academic journey with certainty and flexibility.

Some courses, like Paramedicine and Medicine, aren't part of this program, due to competitive entry. However, you can still include them in your early application, and they'll be assessed after your ATAR is released. Early offers may still be made for your other course preferences.

<https://www.utas.edu.au/study/schools-recommendation-program>

CQ - Start Uni Now Program

Apply by 20 October for Term 3

Experience university while you're still in school with our Start Uni Now (SUN) high school program. You can complete units from your chosen degree giving you a head start on your studies.

If you're completing Year 10, or studying in years 11 and 12, SUN gives you the opportunity to combine your senior school study with university-level study. Choose from a range of units from our bachelor degrees and gain an authentic insight into university life and start university early. You could be eligible for direct entry into your chosen course as well as credit towards your degree once you have completed your SUN units. This saves you some of the stress of relying heavily on your ATAR score.

<https://www.cqu.edu.au/study/entry-pathways/start-uni-now>

UNSW Future Creators' Day

30 September

Future Creators' Day is a hands-on experience for Year 10 and 11 students passionate about creativity, design, and visual storytelling. Hosted by UNSW Arts, Design & Architecture, this event is the perfect opportunity to explore future study and career paths in the creative industries.

Join us on campus for a day of immersive workshops led by expert academics and industry professionals. Get a taste of our newly offered Game Art specialisation, along with workshops in Animation, Painting, Textiles & Fashion Design, Object Design, and Graphic Design. Whether you're interested in digital art, interactive storytelling, or traditional design disciplines, this event is designed to help you develop your skills and discover your creative potential.

Connect with like-minded students, experience university life, and gain insights into studying at UNSW. Future Creators' Day is your chance to turn your creative passion into a future career.

<https://www.eventbrite.com.au/e/unsw-future-creators-day-tickets-1575115887019>

UNSW Aviation Open Day

20 September

Are you passionate about flying or curious about a career in aviation? Join us for an unforgettable experience at the UNSW Aviation Open Day, held at our state-of-the-art Bankstown Airport flight training facility!

- Explore our fleet of Diamond DA-40 and Piper Seminole PA44 aircraft up close
- Experience our cutting-edge flight simulators
- Chat with expert instructors and current students
- Tour our facilities and get a feel for life at UNSW Aviation
- Ask anything—we're here to help you navigate your aviation journey!

<https://www.events.unsw.edu.au/event/unsw-aviation-open-day>

UNSW Water Research Laboratory Open Day

25 October

Ever wanted to know why rips form in the surf? Or what happens to all the sand on the beach in a storm? What amount of water does it take for a car to float? How are dams, harbours and breakwalls designed? And how, exactly, do these things get tested anyway?...

Come tour our massive labs, meet the experts, and see engineering and science at work.

Based on Sydney's Northern Beaches at Manly Vale, the UNSW Water Research Laboratory (WRL) is one of the biggest scientific and engineering facilities in Australia, tucked away below Manly Dam.

<https://www.events.unsw.edu.au/event/wrl-open-day-2025>

University - General

University of Melbourne Relocation Scholarship

The Melbourne Relocation Scholarship is offered to domestic students from regional and remote areas in Australia, who completed Australian Year 12.

This scholarship provides a one-off relocation allowance of \$1,500 paid shortly after enrolling in their course.

Scholarship offers are made a few days after the Victorian Year 12 ATAR are released in December. Further offers are made in January and February to students who have completed IB or Year 12 at a school outside Victoria.

<https://scholarships.unimelb.edu.au/awards/melbourne-relocation-scholarship>

AIQS Donald Napier Scholarship - Closing Soon

Applications Close 1 October

AIQS offers a number of scholarships each year for Year 12 students who qualify for entry into a Quantity Surveying, Construction Economics, Construction Management (Economics) or other appropriate course at an AIQS accredited program in Australia.

There are four scholarships offered each year

- General (open to all people)
- First Nations people (Aboriginal or Torres Strait Islander)
- Disadvantaged (financial, carer, medical condition or disability, regional or remote)
- Diversity (including but not limited to race, ethnicity, gender, gender identity, age, religion, marital status, language)

The value of the scholarship is AU\$5,000

<https://www.aiqs.com.au/scholarships>

VET qualifications that combine STEM + your passion!

Want to be super employable and love what you do every day? Skill up in STEM AND the area you're interested in. Here's how...

We've tracked down 10 VET qualifications that combine STEM + X – where 'X' is your an interest, another subject, a big opportunity or life-changing goal – so you'll be prepared for future jobs while pursuing your passions.

<https://careerswithstem.com.au/vet-qualifications-that-combine-stem-and-your-passion/>

Quiz: What tech TAFE course should you do?

Tech + TAFE = a super smart way to skill up for the careers of the future

Thinking about ways to carve out a path for yourself in technology? You should definitely consider study technology through VET. VET (or vocational education and training) partners with industries and the government to equip people with workplace skills and technical knowledge to help them start out in their dream career (or advance in it). Check out the benefits and how employable you'll be here.

<https://careerswithstem.com.au/study-technology-vet-quiz/>

How do I Become a Bricklaying Apprentice?

If you are interested in learning how to become a bricklayer in Australia then we recommend following these steps:

1. Find an Employer: ABBTF will help place you with an employer who is willing to take on an apprentice.
2. Choose a Training Provider: your on-site training will be provided by a TAFE or a RTO.
3. Stay Focused: You'll spend the next 3-4 years training as an apprentice with your employer. When you complete your apprenticeship you'll be a qualified Bricklayer/Blocklayer.

<https://www.becomeabricklayer.com.au/how-do-i-become-a-bricklaying-apprentice/>

Types of apprenticeships

These are the different types of apprenticeships you can complete based on your circumstances and needs. When referring to 'Australian Apprenticeships', this includes apprenticeships and traineeships. Both combine learning at a training organisation and learning on the job.

<https://www.apprenticeships.gov.au/about-apprenticeships/types-apprenticeships>

TAFE Pathways to a STEM Career

TAFE can lead you to some pretty awesome places

If you're heading down an accredited pathway or looking to skill up in a different area... consider enrolling in a Training and Further Education (TAFE) course!

<https://careerswithstem.com.au/tafe-pathways-to-a-stem-career/>

How To Start Your Career as a Painter and Decorator

When it comes to becoming a professional painter, an essential step is completing an apprenticeship. Not only does this allow you to learn all the skills needed for the job, but you will also be paid for your time. If you want to become a painter, then learning how to find a painting apprenticeship is crucial. In this article, we will define a painting apprenticeship, go over what they entail, what paint apprentices do and what happens after you complete one.

<https://masterpainters.com.au/how-to-start-your-career-as-a-painter-and-decorator-in-australia/>

Private Colleges

<https://www.australianacademyofbeautytherapy.com/information-evenings/>

Introduction to Directing Short Course at AFTRS

Enrolment Closes: 12 November

Course Dates: 17 Nov - 7 December

Learn about the role of a director and how they influence screen storytelling. In this Intro to Directing course, you'll explore all facets of directing and a director's responsibilities from pre-production through to production, including coverage, visual storytelling, acting and on-set procedures.

Taught by Australia's premier directors, become familiar with this key filmmaking role, story essentials they need to know, building relationships with actors and production departments, and what makes a great director.

<https://www.aftrs.edu.au/short-course/intro-to-directing/>

Introduction to Producing and Screen Business at AFTRS

Enrol By: 19 November

Course Dates: 24 November - 14 December

“What does a Producer do?” In this introductory, seminar-style course you will get a good insight into the role – and how much it varies across different types of content. You will become familiar with the workflows of a producer in both TV, film and creative agencies, and learn the most effective and efficient ways to produce a project. You’ll get real world advice, case studies and information on how money influences the creative decisions you will be making.

<https://www.aftrs.edu.au/short-course/intro-to-producing-and-screen-business/>

AFTRS Introduction to Documentary Short Course

Enrol By: 28 november

Course Dates: 29 November - 6 December

Have an idea for a documentary but aren’t sure where to start? Interested to learn more about the genre, including factual TV/documentary series, feature documentary and online docs? This 100% online course will give you a great introduction and show you how to start moving your documentary ideas into production.

<https://www.aftrs.edu.au/short-course/intro-to-documentary/>

AFTRS Introduction to VFX and 3D Animation Short Course

Enrol By: 12 Novmeber

Course Dates: 17 November - 7 December

This course aims to demystify the visual effects and animation industry by providing a core understanding of the workflows, processes and tasks involved in contemporary digital visual effects, animation and post-production.

Conducted by industry leader and creative professional, Alexander Hoetzer, you will be prepared to engage with a wide range of creative industries, and in a wide range of tasks. Gain insider perspectives on professional creative processes which will help close knowledge gaps in foundational topics and provide and overall perspective of visual effects and animation workflows.

<https://www.aftrs.edu.au/short-course/intro-to-vfx-3d-animation/>

Westpac Young Technologist Scholarship

Applications Now Open, Closes 15 January 2026

The Westpac Young Technologists Scholarship was made for talented and inquisitive high school graduates looking to strengthen their passion and expertise in technology to innovate and create new opportunities and inspire good in the world of STEM.

Our Young Technologists Scholars get up to three years of financial support for their studies, networking opportunities, mentoring programs and paid internships with senior business leaders and industry-based experts as well as the chance to develop critical soft skills through the Disruptive Leaders Program. The program includes five days in Asia as part of an international learning experience to broaden minds and inspire new ways of thinking.

Scholars must be intending to commence a STEM related degree at one of our five partner universities across Australia, though you do not need to have received a formal offer at the time of your application.

<https://scholars.westpac.com.au/scholarships/young-technologists-scholarship>
